Cluster**

## Lithuanian Design Cluster

Lithuanian Design Cluster is a group of Lithuanian companies that offers a wide range of products dedicated for hotels, restaurants and other public places.

We offer a full spectrum of high quality and well designed objects such as:

lounge chairs  
beanbags  
beds and mattresses  
upholstered furniture  
cabinet furniture  
coffee tables  
cupboards

writing desks  
dining tables  
chairs  
shelves  
lighting  
mirrors  
rugs

bed-linen, curtains, towels,  
tablecloths, aprons and other  
Lithuanian linen products

EMKO is a design company focusing on a high quality furniture and interior accessories created by emerging designers. The company is actively participating at international trade fairs and design awards since 2013. EMKO products are successfully being sold in Europe, Asia and USA.

### **Naïve low Chair** by ete.etc (LT)

The body is created of solid ash tree wood, combined with fire-resistant foam covered by high quality fabrics - Kvadrat Remix 2 and Novotex – Ritz Trend (velour). The main visual characteristic is a large leather strap that holds the backrest attached to the body.

### **Naïve side table** by ete.etc (LT)

Tables are available in 7 colours and 3 sizes, each carved out of a single piece of solid ash. A form in between a square and a circle creates a soft and welcoming appearance and will easily adapt to any type of a room. The tables can be easily assembled by just screwing the legs in.

### **Desk 4.9** by Marius Valaitis (LT)

4.9. Desk It perfectly works as writing desk or dressing table. There are one drawer and two drawers versions. The desk is available in 3 colors: light, brown and black.

### **Macaron ceiling and floor lamp** by Silvia Cenal (ES)

The cord which links between the two pieces of wood, giving a touch of originality with its texture and color. After two unbelievably successful years in the market for the pendant lamps, the Floor lamp was added to the collection.

# Pušku pušku

Pusku pusku are pleased to be the biggest bean bag manufacturer in Northern Europe, and we are also becoming known all over the world!

We are proud that there is special attention for our products in Latvia, Estonia, Germany, Finland and Sweden, which is why we export around 50% of them.

## Seat

Seat is an armchair-shaped bean bag that has already become classic and has had its model design patented. Handmade bean bag is designed with a comfortable backrest and headrest; the granules inside it adapt to the body shape, so a person can have a pleasant relaxation.

## Razzmatazz

Razzmatazz is a triangular bean bag for spacious home. A handmade soft piece of furniture is designed with extended sitting part, a backrest and headrest; the granules adapt to the body shape, so the bean bag is suitable for very tall people.

## Game

Game is a handmade bean bag for children of all ages. This bean bag is equipped with additional handle, which makes it very convenient if you want to move to different gaming sites; it also has an additional pocket, where the little ones can keep their toys.

## Tube

Tube is an elliptically tubular bean bag, which is the best alternative to a usual chair. The fabric of handmade bean bags is cut diagonally and joined, thus creating a stylish geometric composition.

# Linene/Me

Linene/Me is a small yet rapidly growing business. We design, manufacture and deliver probably the widest range of linen home textiles to more than sixty countries around the world. Our aim is to ensure that each and every item we carry in our collection, or make specially for you, is simple, sustainable and stunning.

## Sustainability

Linene/Me itself is an environmental- ly-friendly fabric as it requires fewer resources to grow and process, and is biodegradable. We use every last inch of fabric in our production process to minimise waste, and we craft products that are made to last, in keeping with our slow-living aesthetic..

## Extensive Collection

We offer a wide ranging yet carefully curated collection. We are proud to offer customers top quality textiles for every room and every season.

## Crafted To Last

We have our own manufacturing unit in Lithuania, with more than forty years of linen production experience. From a stock of over 1000 different linen fabrics we craft all your items to order using a combination of traditional and cutting-edge technologies.

## Understated Luxury

This kind of personal approach offers our clients the individual attention to detail of a bespoke luxury brand, without the price tag. We are, simply, great at what we do.

# virūna

The company's credo – attention to the client's needs, professional design and the highest quality. All this could be achieved thanks to the highly qualified, young and dynamic employees and partners. Here with highly-skilled workforce allows us to carry out special projects such as hotels, restaurants and living interiors.

## Private Interior by Darius Budrys (LT)

Private apartment designed by customer's needs, adapted to its vivid lifestyle and taste. A perfect mix and match of painted solid wood and engineered boards stands out from other interior projects. Very aesthetic, but at the same time multifunctional.

## APOLLO sideboard by ete.etc (LT)

Apollo collection was inspired by the first lunar odyssey which took place in 1969. Cosmic yet very minimalist and eclectic, designed to last for centuries.

## GLIDE sideboard by Darius Budrys (LT)

It's a match! An outstanding sideboard produced with utmost precision, matches each corner no matter the angle you look. A brilliant piece designed to stand out from the sideboards crowd.

## KAPRI dining table by Mantas Lataitis (LT)

Our KAPRI dining table is designed to last in terms of style as well as materials. Polished lacquered European oak finish gives it solidity and class.

# NAMUOS

NAMUOS products are of exclusive quality for home, hotel or restaurant, created by Lithuanian designers and for affordable price. This design studio offer you what you are looking for – elements of simply shaped design inspired by nature and achieved by using natural colours and environmentally friendly materials.

**PUDDLE Mirror**  
by Bar̄bora Adamonytė  
- Keidune (LT)

The mirror shape is a stylised replica of a rain puddle and has been inspired by a human need to search for a self-image wherever possible. The gaps in the shape of the large mirror serve for an additional function of a shelf.

**DEER Hook**  
by Bar̄bora Adamonytė  
- Keidune (LT)

Hooks can perfectly be used in combination with other same series hooks, which are of different sizes, different colours and different metals. Can be used in multiple settings including the entrance hall, bedroom and kitchen.

**Ceramic karafe with tea/coffee bowls**  
by Bar̄bora Adamonytė  
- Keidune (LT)

A set of jug and two small cups could be used for hot and cold drinks. Jug also can serve as a vase and the cup as a dish for snacks. Cork stopper fits the jug and the cup as well.

**WINGS Newspaper Rack**  
by Bar̄bora Adamonytė  
- Keidune (LT)

Magazine rack is designed to use it at home, coffee house or hotel to keep newspapers, magazines, books.

# GERGAMA

Gergama – bed and mattress manufacturer belonging to the 25-year-old LONAS company group. Gergama is exclusively focused on production of mattresses and beds. Clearly defined activity helps to consistently increase the production volumes and nurture expertise of our employees. All this contributes to the growth of the company and top quality of products we manufacture.

## Bed Piano

Bed PIANO – classic bed with curved, prominent head, decorated with vertical lines - for those who appreciate subtlety and cozy peace before bedtime.

## Bed Solo

Bed Solo take you to the oasis of tranquility and rest. Bed Solo – luxury bed with soft pillows for those who appreciate long, cozy rituals before bedtime.

## Bed Sonatina Min

Bed SONATINA – compact bed straight, graceful, wavy silhouette head, for the finesse and space saving.

## Bed Forte

Bed FORTE – a classic bed with curved, prominent head - for a time-consuming and delightful dive without long introductions.
